Description

This stone farmhouse for sale in Scicli is a property immersed in the Sicilian countryside, with a total of 2800 square meters of land and with sea views.

Its quiet and private location makes it the ideal place for those seeking an oasis of peace and relaxation not far from Scicli and Donnalucata. The property is spread over a surface area of approximately 150 square meters of walkable space plus a courtyard, all to be rebuilt using the available volume.

A large plot of land belonging to the rustic house makes it an enchanting place on which to build a characteristic dwelling typical of the area, the land is rocky

A real opportunity to experience the real Sicilian life in an authentic and welcoming environment.
