Description

In the heart of Tarquinia's historic center, just steps from Piazza Verdi and just off the lively main street, lies a hidden gem: a 55-square-meter warehouse located on Vicolo del Forno, one of the city's most characteristic and quiet streets. The property, with its own private entrance directly from the street, welcomes you into a single, authentic space, enhanced by a fireplace that tells stories of conviviality and warmth. Fully tiled and equipped with electricity and plumbing, it is in good condition, ready to welcome new ideas and projects. Perfect as a hobby room or basement for those who already live nearby and are looking for a private space to cultivate hobbies or enjoy moments of relaxation, this space can also be transformed into a convenient and spacious storage area, ideal for those needing extra space in a strategic and easily accessible location. A place that combines functionality and charm, in the heart of a city rich in history and beauty.
