Description

In the hamlet of Triponzo, a stone's throw from the renowned spa, we offer for sale an apartment with independent entrance and annex where it is possible to obtain another home. The main apartment consists of a large living room with kitchenette, a double bedroom with a beautiful view of the town center and a bathroom. A few steps from the property, we find a building currently registered as a warehouse, but with the possibility of changing use into a home that consists of two large rooms and two very characteristic caves, ideal for a characteristic renovation project. To complete the property, a few hundred meters away from the house, there is a plot of land of about 4000 square meters for woodland use.
