Description

In Celleno, in the heart of the Tuscia Viterbo area, we offer for sale a 5,010 m2 plot of land, located in a quiet and panoramic setting, with splendid open views of the surrounding countryside as far as the charming Borgo Fantasma (Ghost Town).

The land, accessible via a driveway gate, is home to approximately 50 olive trees and is served by two separate water points, particularly useful for irrigation and property maintenance.

Inside there is a building of approximately 25 m2, registered in the land registry as category C/2 and equipped with a fireplace, ideal for storage and a convenient base for spending pleasant days immersed in nature.

The secluded location, panoramic views, and authentic charm of the Celleno area make this property an ideal choice for those wishing to farm, produce olive oil, or create a countryside retreat just a short distance from the village.

A property with an authentic character, where the tranquility of the countryside meets one of the most fascinating landscapes of Tuscia.
