Description

Agricultural land with olive grove and fruit orchard for sale, ideal for those seeking a property with distinctive features and potential for development. The land includes a ruin for which a project has already been approved for its renovation, expansion, and change of use: a particularly interesting element for those looking to invest in a property that can be transformed and enhanced. The property stands out for its excellent exposure, proximity to the road, which guarantees easy access, and the presence of a well, useful for managing the land and crops. The olive grove and orchard further enrich the land, offering a pleasant natural setting and an interesting opportunity for those seeking investment, property development, and contact with nature.
