Description

We offer for sale agricultural land located in the immediate vicinity of an industrial area, a strategic location that makes it particularly attractive to both farmers and investors.

The land extends over an area of 7,536 m2.
Access is direct from the main road, ensuring ease of access and use.

The land, intended for agricultural use, is suitable for various types of uses, from growing products such as fruit, vegetables and cereals, to livestock farming.
The proximity to the industrial area also offers an important commercial advantage, allowing for easier direct sales of products to local companies.

Ideal solution for both farmers and investors looking for land with excellent development potential.
