Description

In Mesagne, but 2 km from Latiano we offer for sale, a charming rustic house immersed in the tranquility of the Apulian countryside.
Built way back in 1900, the property is on a single floor, with a total surface area of over 100 square meters. The state of conservation of the property is to be renovated, but this represents an opportunity to customize and redesign the spaces to your liking.
Furthermore, it enjoys an optimal position and a beautiful southern exposure, which guarantees a pleasant brightness inside the rooms. It stands on a surrounding land of about 16,200 square meters, partly arable land and olive grove.
Ideal for those looking for a solution immersed in the quiet of nature and for those who want to live in a home with a rustic flavor but with all modern comforts, this rustic house represents a unique opportunity to purchase a portion of history and authentic Apulian beauty.
Don’t miss the opportunity to visit it and imagine your future home in this splendid setting, just a few steps from the village.
