Description

In the charming historic center of Martina Franca, we offer for sale a historic ground floor house a short distance from Piazza XX Settembre and the Basilica of San Martino.

The property comprises an eat-in kitchen, which opens onto a bedroom leading to the bathroom and another bedroom: from this, there is access to a small light well that provides natural light and ventilation.

In need of renovation and with a land area of 52 sq m, it represents a great opportunity for those looking to create a custom space or rent out while maintaining the charm of the area's typical stone buildings.

Martina Franca is located in the heart of the Itria Valley, a short distance from the renowned tourist destinations of Ostuni, Cisternino, Locorotondo, and the iconic town of Alberobello. Easy connections to Puglia's main airports: Brindisi airport is approximately 50 km away, while Bari airport is approximately 80 km away.

Contact our offices for further information or to request a viewing of the property.
