Description

In the heart of Alto Salento in Francavilla Fontana, precisely in the charming and historic area adjacent to Specchia Capece, we offer for sale an authentic complex of stone trulli and lamie to be completely renovated. The property represents an excellent real estate investment and boasts a full hectare of flat land embellished with majestic centuries-old olive trees that guarantee maximum privacy and the undisputed charm of the Apulian countryside. The geographical location is absolutely strategic as the land is approximately seven or eight kilometers from both the towns of Francavilla Fontana and Ceglie Messapica, guaranteeing the perfect balance between total privacy and the convenience of quickly reaching all the main city services. Structurally, the property retains intact the characteristics of local rural architecture, with traditional cones and interior spaces rich in niches and stone arches, perfect for being enhanced through a high-quality conservative restoration project.
