Description

Just a three-minute walk from the central Piazza XX Settembre in Martina Franca, we offer for sale a space of approximately 37 square meters located on the ground floor of a building constructed before 1967.
Currently available for purchase, the property is in good condition and has a total floor space of 35 square meters.

Consisting of a single basement/semi-basement room, a bedroom and a bathroom, the property features a large window that provides plenty of light to the rooms.

The property is a studio apartment with a kitchenette and sofa bed.

Located in a convenient and well-served area, the property is also suitable as an investment because it is adjacent to another 92 sq m C/2 property, also for sale included in the price. This could be used to extend the property, or it could be rented out, recouping the initial investment.
