Description

In the lush countryside of Martina Franca (TA), famous for its splendid Baroque architecture and an important center in the heart of the Itria Valley, in the Madonna del Rosario area, we offer for sale a plot of land of approximately 5,200 square meters, with an approved project for the construction of a house of approximately 80 square meters and a swimming pool with a pool of approximately 40 square meters.
The land is nestled in a verdant, slightly steep hillside, with easy access close to the main road, just a few kilometers from the town station and the center. Its layout allows for terraces or the cultivation of various plants, such as olive trees, vineyards, and vegetables. It is strategically located in the heart of the Itria Valley, approximately 50 kilometers from Brindisi International Airport and approximately 85 kilometers from Bari International Airport.
Contact our offices for information or to request a viewing of the property.
