Description

LUXURY APARTMENT IN A HISTORIC BUILDING – CITY CENTER

Inside the prestigious Palazzo Reggiani, a 16th-century building enriched by 18th-century artistic interventions and important Roman archaeological finds, we offer for sale an exclusive apartment characterized by historical charm and highly representative spaces.

A majestic monumental staircase leads to a frescoed entrance hall that leads to the spacious 32 m2 living area, enhanced by an original period painting and a large balcony overlooking the building's internal courtyard.

On the main level there is also a spacious double bedroom and a large bathroom with window.

Going upstairs, the elegant sleeping area develops, consisting of:

Double bedroom with ensuite bathroom and walk-in closet; Master bedroom of approximately 30 m2, also with bathroom with window and walk-in closet

The property also features a shared internal courtyard, ideal as a breathing space and enhanced by the building's historical context.

A unique solution for those seeking a prestigious property within one of the city's most significant historic buildings, featuring frescoes, period architecture, and exquisite details. Perfect for those seeking charm, exclusivity, and a prime central location.
