Description

Semi-detached villa with private garden – Misano Adriatico

In a quiet residential area of Misano Adriatico, just minutes from the sea and convenient to all amenities, we offer for sale a portion of a semi-detached villa featuring generous spaces and excellent livability.

The home is spread over two levels. The first floor features a bright and welcoming living area, with a living room opening onto the terraces, creating a pleasant connection with the outdoors. One of these terraces features a wood-burning oven, perfect for entertaining with a splendid panoramic sea view. The eat-in kitchen, separate from but well-connected to the dining area, is functional and convenient for everyday use.

The sleeping area hosts three bedrooms, two bathrooms with windows and a practical closet, offering comfort and well-organized space.

The upper floor includes an internally connected attic, already well used as a multifunctional space: it currently also houses a fitness room, additional ancillary spaces, a bathroom and a private pocket terrace.

Outside, the private garden of approximately 500 square meters guarantees privacy and ideal spaces for outdoor living, with a garage completing the property.

An independent solution, perfect as a main residence or leisure home.
