Description

LAZIO – VITERBO – CELLERE
APARTMENT IN THE VILLAGE

In the ancient and characteristic village of Cellere, in the heart of the Maremma Laziale, an independent apartment of 127 sq m, located on the raised ground floor.

The apartment develops its surface on two levels with the same size:
Approximately 60 sq m on the raised ground floor, comprising an eat-in kitchen, two rooms, and a bathroom with a window; approximately 60 sq m on the first floor, comprising three rooms and a bathroom with a small window. The floors are connected by an internal staircase.
The apartment enjoys an excellent location, with panoramic views of the surrounding countryside and hills. Furthermore, the rooms are well-lit, thanks to the large windows and French windows in every room.

The apartment needs some renovation work.

Cellere, a medieval village perched on a tuff rock spur in the Maremma Laziale region, is known as the City of Olive Oil. It is located just 15 km from Lake Bolsena, 30 km from the Lazio coast, 100 km from Rome, and 60 km from the Argentario.
