Description

Cornaredo – For sale – Building land in a central and private location | Ideal for a detached villa

In the central area of Cornaredo, just steps from schools, shops, public transportation, and all major city services, we offer for sale an exclusive building plot. This is the ideal solution for individuals or businesses looking to build a modern, independent, and custom-designed residence in a quiet yet strategic location.

Lot features:

Total area: 465 m2

Exposure: Free on four sides, ideal for ensuring excellent brightness and privacy

Building potential: The lot allows for the construction of a detached villa of approximately 200 sq m (e.g., spread over multiple levels with an open-plan living area, 3 bedrooms, two bathrooms, laundry room, garage, and large porches/terraces).

The strengths:

Strategic and private location: In the heart of the city, yet away from traffic and noise.

Total independence: Possibility of designing a detached villa with a private garden surrounding all four sides.

Design flexibility: Maximum freedom in choosing materials, construction technologies (traditional or green/wood building) and the layout of internal and external spaces.

The images and project hypotheses are to be considered purely indicative.
