Description

In the center of Legnano, in an excellent location convenient to the station and all major amenities, we offer for exclusive sale a spacious and prestigious four-room apartment with triple exposure.

The spacious interiors and excellent layout offer exceptional living comfort. Located in a prestigious building with a concierge and two elevators, the apartment has undergone meticulous renovations and is in excellent condition, ready for occupancy.

The main entrance leads to the spacious living room, cleverly divided into a conversation/relaxation area and a dining area, with direct access to the terrace, perfect for lunches and dinners with family or friends. The service entrance leads to the spacious eat-in kitchen, complete with balcony, seamlessly connected to the dining/living area. A spacious hallway leads to the three spacious bedrooms and two bathrooms, both with windows and spacious showers, one of which is a walk-in shower and a whirlpool tub. The apartment's triple exposure, three balconies, and the covered terrace in the living area ensure a bright and welcoming atmosphere, creating a perfect blend of comfort and well-being. The wood flooring throughout, insulating double-glazed windows, air conditioning with heat pumps in both the living and sleeping areas, and extensive custom-built wardrobes underscore the apartment's high quality.

The communal garden, planted and well-maintained, is a true oasis in the center of Legnano, perfect for enjoying moments of relaxation and conviviality outdoors.

The offer is completed by a cellar and a large garage in the building, priced separately, to satisfy every need for space and practicality. The apartment is in excellent condition, the result of a recent renovation that has further enhanced its value and elegance.

In short, a unique opportunity for those who wish to live in a prestigious and high-end environment, in a very central area well-equipped with all essential services.
