Description

Coldwell Banker Gruppo Bodini Milano offers for rent a bright 85 sqm three-room apartment, located on the top floor (first floor) of a residential building dating back to 1940, equipped with an elevator and a concierge service. The apartment is remarkably quiet and private, thanks to its pleasant and exclusive view over an internal courtyard. The property underwent a meticulous renovation in 2019, during which the original period features were restored and enhanced, including the historic cement tiles (cementine) and double interior doors.

The internal layout features a living room with an open-plan designer kitchen, two bedrooms, a bathroom with a window, and a balcony. The property comes complete with air conditioning, centralized heating, and an armored door.

The location is strategically convenient from a logistical standpoint, being situated just a few meters from the Brenta and Corvetto stations on the M3 metro line, and in the immediate vicinity of surface transport lines (buses 65, 84, 91, 95, 34, and the NM3 night line), ensuring a quick and easy connection to the city center. This solution is perfect for those seeking a charming home, excellently connected, and set within an urban context complete with every amenity.
