Description

Central Tower, San Babila.

In the most sophisticated heart of Milan, just a few steps from Piazza San Babila and the Duomo, Coldwell Banker Gruppo Bodini offers for sale an extraordinary living solution located on the sixth floor of the exclusive Central Tower in Largo Corsia dei Servi 11. This prestigious residence represents the epitome of contemporary luxury living, where aesthetic elegance seamlessly blends with ultimate functionality in one of the city's most coveted and cosmopolitan locations.

The apartment stands out for its extraordinary natural light, amplified by spectacular full-height windows that frame suggestive views of the downtown Milan skyline. The interior space has been masterfully optimized through a refined, custom interior design project, featuring high-end transformable furniture that discreetly integrates the sleeping quarter and the study area. A separate, fully equipped kitchenette fits perfectly into the home's minimalist layout, while the bathroom reveals itself as an oasis of contemporary well-being, enhanced by warm-toned textured finishes, a large walk-in shower, and refined design details. Equipped with advanced home automation and ducted air conditioning, the property guarantees the highest standards of comfort and privacy.

Living inside the Central Tower also means enjoying exclusive, hotel-inspired services, including a dramatic lobby with a concierge service active from 8:00 AM to 6:00 PM and access to the wonderful communal rooftop terrace.
