Mantua, a jewel of art and culture. Framed by the waters of its three lakes, Mantua is a city of timeless charm, where history, art and nature blend harmoniously. Declared a UNESCO World Heritage Site in 2008, Mantua preserves intact the magnificence of the Gonzaga family, who made it one of the capitals of the Italian Renaissance.

Walking through its streets means immersing yourself in a real open-air museum, among stately buildings, scenic squares and suggestive views. Palazzo Ducale, with its frescoes by Mantegna in the Camera degli Sposi, and the majestic Palazzo Te, a masterpiece by Giulio Romano, are just some of the treasures that the city holds.

Mantua is also a lively and dynamic cultural center: it is the only Italian city present on the Google Arts & Culture platform with over 1,000 digitized works and 40 virtual exhibitions set up in eight museums. Here, every corner tells a story, and every building bears witness to the prestige of a glorious past.

In addition to its extraordinary artistic heritage, Mantua offers an excellent quality of life. According to Legambiente's Ecosistema Urbano 2023 report, it was ranked among the best Italian cities for environmental sustainability and livability. The greenery of its parks, the charm of the banks of the Mincio and the richness of its food and wine tradition make it a perfect place not only to visit, but to live.

Mantua is not just a city, it is an experience: a place where the past intertwines with the present, giving unique emotions to those who have the privilege of discovering it.
