Description

SAN PIERO – In the characteristic village of San Piero in Campo, we offer an authentically furnished two-level apartment on the first and second floors of a traditional house in the historic center.

The property retains characteristic details and welcoming spaces, extending over multiple levels connected by internal staircases typical of village houses.

On the first floor we find the entrance to the eat-in kitchen, living room currently used as a bedroom, bathroom and hallway.

Going upstairs, you'll find a room with a fireplace and kitchen, a double bedroom, a single bedroom, and an additional bathroom on the landing. From the bedroom, a characteristic staircase leads to a small terrace overlooking the sea and the village rooftops, perfect for enjoying the tranquility and atmosphere of the village.

Equipped with air conditioning on both floors.

An ideal solution for those seeking a home with typical Elban charm, just minutes from the beaches and immersed in the authenticity of the historic center.
