Description

MARINA DI CAMPO – Just 400 meters from the splendid beach of Marina di Campo, we offer for sale a completely renovated two-level apartment located on the first floor, ideal both as a holiday home and as an investment. The property opens onto a bright living area with an open-plan kitchen and living room, both overlooking a pleasant terrace perfect for al fresco dining and relaxing. A convenient guest bathroom completes this level. A characteristic spiral staircase leads to the upper floor, where we find the double bedroom with en suite bathroom, in a private and bright space thanks to the presence of skylights. Both floors are equipped with inverter air conditioners. The strategic location, close to the sea and main services, makes this property an excellent opportunity for tourist rentals or as an exclusive base on the Island of Elba.
