Description

LACONA – In a quiet countryside area in Lacona, just 1 km from the beach, we present for sale a detached townhouse on three sides, a solution that offers privacy, open air, and a pleasant Mediterranean atmosphere.

The main living area is on the upper floor, where you're greeted by a large terrace of approximately 14 square meters overlooking the sea, ideal for relaxing and fully enjoying the outdoor spaces. From here, you enter the bright and functional living area with kitchen, which leads to the master bedroom and the single bedroom, both boasting stunning sea views, and a bathroom.

On the lower floor there is another independent space consisting of a bedroom and a bathroom, perfect for guests or for those who want a separate and private space.

The property also includes a practical external storage room and a space to park your car.

A property surrounded by greenery and close to the sea, ideal as a holiday home or as an investment in one of the island's most popular locations.
