Description

In Rivabella, we offer for sale a bright apartment located on the first floor of a 1960s building consisting of only three residential units.

The property welcomes you with large and well-distributed rooms: from the entrance you access a comfortable hallway that leads to a bright living room, ideal as a living area, and to a separate eat-in kitchen.

The sleeping area includes two bedrooms and two bathrooms, offering functional and versatile spaces for every living need.

The property includes a practical garage on the ground floor.

The apartment requires renovations, but for this very reason, it represents an attractive solution for those who want to personalize the spaces and maximize their potential.

Ideal both as a main residence and as an investment.
