Description

Vintage elegance just a few kilometers from Milan

Inzago – In a unique and private setting, we offer for rent a highly representative independent apartment inside a prestigious 16th century noble residence, immersed in an elegant centuries-old garden. The monumental hall, the frescoed rooms and the atmosphere of times gone by make this residence ideal for those seeking charm, privacy and historical-artistic value.

The apartment, of about 240 square meters on two levels, has access from the suggestive courtyard of the press and opens onto a shared entrance hall, a prelude to the actual living area. On the ground floor there is a fully furnished eat-in kitchen, with appliances included, and a guest bathroom. A short corridor leads to the majestic hall of almost 100 square meters, with marble Palladian floors and decorated ceilings, which overlooks the courtyard of honor on one side and the garden on the other. Here there is a dining area and a frescoed study, once used as a private chapel. To complete the floor, a refined library, from which you can access the internal staircase that leads to the upper level.

On the first floor there is the sleeping area, consisting of three bedrooms and two bathrooms, in rooms that are striking for their generous dimensions and attention to detail.

The apartment has access to the villa's shared garden and swimming pool, in an exclusive and quiet setting. There are two entrances: a pedestrian one from the courtyard of honor and a driveway one from the Torchio courtyard, with the possibility of private parking.
