Description

SALE CORSO GARIBALDI 44

On the third floor of a fully renovated early 20th-century building in Corso Garibaldi 44, a residence of approximately 150 sqm delivered turnkey: renovated, furnished and ready to move in.

The interior design has been developed with a precise selection – Molteni&C furniture, lighting design by VIABIZZUNO, warm wood essences, textured surfaces, metal details and bespoke elements. From the entrance to the bathrooms, every material and lighting choice reflects a coherent vision of how the space is meant to be lived.

The entrance features full-height GLISS Master wardrobes with mirrored doors and integrated lighting. The living area accommodates both a sitting area and dining zone in a spacious, well-proportioned environment. The eat-in kitchen, Molteni&C PRIME model – large central island, Dekton worktop, premium appliances – is the most convivial space in the home, designed for those who cook and those who entertain.

The layout is thoughtfully planned: separate laundry room, guest bathroom, master bedroom with walk-in wardrobe and windowed en-suite bathroom, second double bedroom with private bathroom. Bathrooms are finished with Cielo sanitaryware and Gessi fixtures.

The building systems are state of the art: heat pumps for heating, cooling and hot water, cast iron radiators reinterpreted in a contemporary key, ceiling-integrated cooling system.

The triple internal exposure onto the courtyards and the typical Milanese ringhiere delivers what is genuinely hard to find in the city centre: real quiet, natural light throughout the day, and a sense of privacy despite the location.

Corso Garibaldi, between Brera, Moscova and Porta Nuova, is one of Milan's most established addresses – historic centre, services, restaurants and culture within easy reach, with a quality of life few other locations can match.
