Description

MONTE PORZIO CATONE in the heart of the green Municipality in the Centro area and precisely in Via Duca degli Abruzzi, an elegant and private context; Coldwell Banker | Krea Case is pleased to offer for sale covered parking spaces. "Monteporzio" is an exclusive location, a municipality located within the Castelli Romani Park, well connected thanks to its proximity to the motorway toll booth; the territory is built with the characteristics of local historic villages and residents enjoy the panoramic view of the surrounding hills and the scenic alleys that cross the town.

The parking spaces are located in the basement of a recently built independent structure and benefit from an independent entrance protected by an automatic gate, a convenient access ramp and a large maneuvering area that make them usable even for large cars.

The very central area has a high population density, making the purchase of this property an excellent investment for those who want to rent the property; Cod. CBI143-2042-8155
