Description

CIAMPINO CENTER AREA Coldwell Banker Krea Case is pleased to offer for sale an important and well-established commercial activity of Bar Tavola Calda Calda Games positioned in a unique context due to its centrality and the availability of four exhibitions on three different streets making it highly visible.

The large room with four windows is at the center of a very notable car and pedestrian passage and positioned at the center of all primary and secondary services a few steps from the Ciampino central railway station.

The business has large spaces that allow the use of numerous tables for a considerable number of seats. It also has a kitchen with chimney, games room, warehouse and service. Outside it also benefits from a large private space, partly covered, available for both lunch and aperitifs. At present the turnover is good but could potentially be improved.
