Description

Spacious, bright, and functional, just steps from the station – Via Amerigo Vespucci

In a strategic and well-connected location, a short distance from the station and with a garage nearby, we offer for sale a renovated apartment of approximately 130 square meters, located on the fifth floor of a building served by a lift.

The property stands out for its generous spaces and natural light, enhanced by a semi-panoramic window that gives depth to the rooms.

The internal distribution is designed to offer comfort and functionality:

- a first bedroom with direct access to a private terrace;
- a second master bedroom with en suite bathroom and internal walk-in closet;
- a second bathroom serving the house;
- a laundry room with the possibility of creating a third bathroom.

The recent renovation makes the house ready to move into, with well-organized spaces and a balance between practicality and daily livability.

The dynamic and well-served area puts everything within easy reach, making it particularly suitable for those who prefer quick connections and nearby amenities.

A practical, spacious, and bright solution, designed for those seeking comfort without sacrificing well-defined, private spaces.
