Description

PUGLIA – MARTINA FRANCA (TA) In the heart of Martina Franca, we offer for sale a semi-detached house of approximately 76 square meters, dating back to 1940, characterized by the authentic charm of traditional buildings in the Itria Valley. The property is entirely made of stone and retains its evocative star vaults, architectural elements of great value that give the rooms a unique atmosphere rich in history. The property comprises four rooms, including a bedroom, a bathroom, and a kitchenette, offering ample scope for customization and reorganization of the space. Completing the property are 3 balconies and a private terrace, ideal for creating pleasant outdoor spaces to enjoy and enhance. The property requires renovation work, representing an interesting opportunity for those wishing to restore a characteristic stone home and transform it to their own taste, while maintaining the charm and authenticity of the original structure.
