Description

BUILDING LAND FOR SALE – TAVOLETO (PU)

We offer for sale a large building plot of approximately 705 square meters in the small but charming village of Tavoleto, in the province of Pesaro and Urbino.
Just a few minutes from the historic center, this land is located in a quiet area surrounded by greenery.
The generous size offers the freedom to design a custom detached villa, with spacious interiors and a private garden on four sides. It’s the ideal solution for those dreaming of a modern, energy-efficient home away from the hustle and bustle of the city, yet still close to essential amenities. This property is perfect for those looking to design their dream home from scratch, surrounded by the hilly landscape of the Marche region.
