Description

ColdWell Banker offers for sale in Acireale, a splendid, generously sized garage with a main entrance on Via Cervo. The garage is located in the basement of a 1980s building, served by a convenient entrance ramp with an automatic gate and a wide driveway.

The garage is equipped with windows that allow for air circulation and sunlight, and its size makes it ideal for overnight storage of four cars or as a storage area for goods.

The garage is located in an area within easy reach of the center of Acireale, the SS114 highway, and the nearby motorway.

Being located within a condominium complex provides greater security for goods and items.

Three reasons to buy:

- 1. safe investment
- 2. Great for four cars or two vans or as a warehouse
- 3. excellent value for money
