Description

In the sunny residential setting of Cambiasca, just minutes from the center of Verbania, we offer an elegant, spacious apartment on the first floor of a two-family villa. The property stands out for its independence and extraordinary natural light.

The prestigious entrance opens onto a spacious open-plan living area: a spacious space characterized by numerous windows and a working fireplace that tastefully separates the relaxation area from the dining area. From here, there is direct access to the main terrace, ideal for al fresco dining.

The eat-in kitchen opens onto a second balcony. The cleverly arranged sleeping area comprises three bedrooms (a master bedroom with a balcony, a twin bedroom, and a single bedroom) and two bathrooms with windows, one with a bathtub and the other with a shower.

The property is surrounded by a flowered and planted garden, a portion of which will be reserved for exclusive use. The property also includes two covered parking spaces and a spacious common area on the ground floor, including a laundry room, boiler room, and cellar.

A rare solution, perfect for a family seeking large spaces, tranquility, and the warmth of a real home.
